Want to join a club?

The Club Table system is an important part of life at the Union League. Many lifelong friendships have been forged in the Marble Rooms, and becoming a member of the Club Table is an excellent way to get to know your fellow members. If you've always been curious about Club Tables, but didn't know how to join one, contact Club Tables Chairman Stuart Vockel. He has pledged to help anyone who expresses a genuine interest in joining a Club Table, and there truly is a Club Table for everyone who wants to be part of this great tradition. For more information about Club Tables, contact Stuart Vockel at (215) 854-6154.

Marbles Madness

June is here, and with it comes the hottest thing ever to hit the Marble Rooms. As mentioned in last month's Banner, the League is holding a Club Tables Contest for the month of June. The Captains in the Marble Rooms are keeping careful track of how many people dine at each Club Table each day. At the end of the month, the Club Table with the highest percentage of attendance will receive a complimentary lunch for the entire table on one afternoon in the month of July. Only members who order entrees will be counted in the contest. If you have questions about this

contest, please call Restaurants Director Jennifer Officer at (215) 587-5580, or email officerj@unionleague.org.

Golf Club News

The Golf Club has continued to have a great season, with many sold-out events and enthusiastic new members. Special thanks to George Connell, who sponsored our mini-outing May 9 at Gulph Mills, and thanks are to be extended to Garney Morris, who hosted another mini-outing at Jericho National on May 23. Look for these winners and other information in the July Banner.

Anyone who is interested in learning more about the Golf Club should call Activities Coordinator Ann Markowitz at (215) 851-8782. For reservations to any Golf Club event, call 1-888-253-ULUL. Reservations will be taken 29 days before any given event, and no earlier.

A Closer Look at...The One Percenters

For the uninitiated, Club Tables are clubs within the Union League, made up of members who choose to eat lunch together and socialize after hours. There are, at last count, 19 Club Tables, which vary in size and membership. This is the fifth in a monthly series of features that highlight one Club Table each month. For information on this, or any other Club Table, contact that table's president, or call Activities Director Lucy Myers at (215) 587-5585.

The One Percenters

The One Percenters Club Table was founded in 1998 by a group of League members who represent the one percent of the population who drive the world forward. The Table's members are all women, and every member owns her own firm, is a managing director of the firm that she's with, or is a professional and a managing partner, with equity, of her firm. The purpose of the table is to gather energetic individuals for stimulating club table conversation, and to develop some marvelous friendships. The members have a commitment to the philosophy of individualism.

The One Percenters recently held a cocktail party for all women who are members of the League, and following that event, several women joined the Table. Future plans include expanding the role of the One Percenters in the Union League, by holding more activities that are open to all women, not just Table members. Currently, the Table meets twice a month for lunch in the North Marble Room; discussions about adding a monthly breakfast are in the works.

If you would like to learn more about the One Percenters, contact Table President Laya Martinez or Vice President Cheryl Kuchler at the numbers listed below.
